How Fabulous is This!

Olivier Suire Verley has shown throughout France and, at the request of King Abdullah, in Morocco. His United States show will be followed by exhibitions in Tokyo, Osaka, Hokkaido and Hiroshima. Olivier's work has been featured at the National Maritime Museum in Paris, in films and in books.

Olivier is "enthusiastic about the atmosphere of Cape Cod, it's light and scenes" that remind him of the magic island of his childhood. We hope you can join us in welcoming him on his return to Orleans.
