

# Showing: Across The Cape

Reception Saturday, April 7 from 5:30 to 7:30

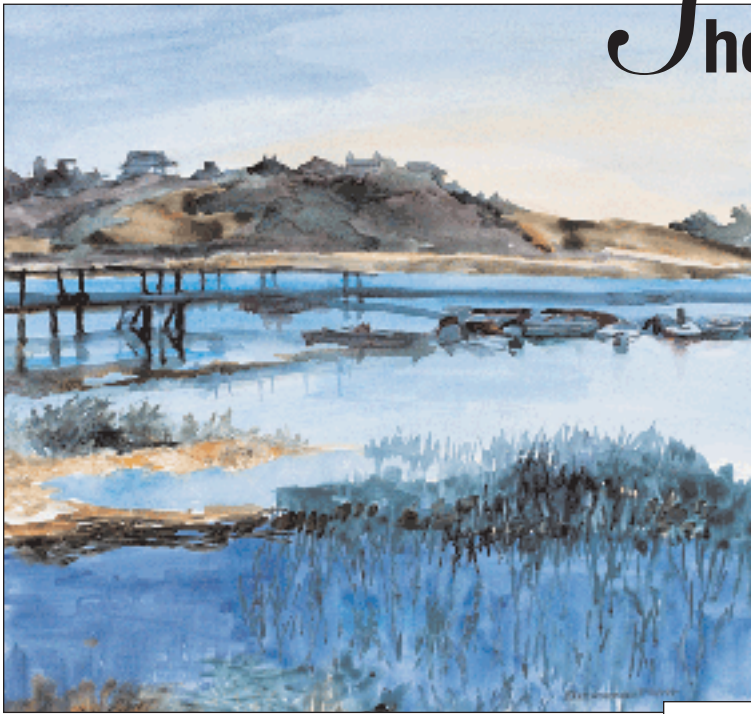

Travel the highways, back roads and hidden spots of Cape Cod, discovering new works by gallery and invited artists at AddisonArt. We hope you can join our artists at the opening as we meander from the bridges to Provincetown. (Walking shoes not required.)

Speaking of walking . . .

## Some News That's Fit To Print

From The New York Times: "A three-year study by the Isabella Stewart Gardner Museum in Boston has found that grade-school students who spend time looking at and talking about art perform better in several areas of critical thinking than students without such experience. . . . The results bolstered those from similar studies released last year by the Guggenheim Museum in New York and the Wolfsonian Museum in Miami."

## Artists in the News

Sarah Webber will be featured in the April 2007 issue of Southwest Art Magazine's "Art Values" section. Elizabeth Pratt and Alla Chekhova will be featured in the 2007 edition of Cape Arts Review. Elizabeth will also be featured in the May edition of American Art Collector.
